

CASE STUDY

Frameworks/Term Contracts

Client: Leeds City Council

Location: Throughout Leeds

Contract Value: £2,000,000

Contract period: 2 years

We have been working for the Council on their Highways Framework contract, incorporating more than 20 schemes throughout the city in busy residential areas, and on carriageways with heavy traffic flows.

The works have included:

- carriageway resurfacing
- junction improvements
- anti-vandal schemes
- bus accessibility schemes
- construction of more than 250 bus stops
